# Zafira Green

Zafira Green is a hard working Asian babe from Surrey, working all the hours under the sun to become a full time model. Zafira loves her job but she find's it difficult at times having to juggle her modelling life as well as her marriage to her husband Kevin.

“A lot of my work involves spending days away from home and staying in hotels. I work as an on /off model and my ideal job would be to make it full time, but I have to work towards that. I hate having to leave my husband Kevin behind, but he can't come to work with me as he is also working. It gets tough sometimes, especially when I don't get time to call him; Kevin gets into sulks and ignores my calls and texts. But when I get home all is forgiven as he smothers me with kisses and affection - revving my pussy up making me all super horny. I can never resist his English charm, but it wouldn't hurt him to throw some compliments my way every once in a while.”

# FRENCH FANCIES

JOIN US AS WE SAY "JE VOUDRAIS UNE HUMP, S'IL VOUS PLAÎT" TO SOME OF THE FINEST FRENCH LOVELIES EVER TO GRACE THE SILVER SCREEN

## BRIGITTE BARDOT

**L**e Sex-Bomb who kicked them all off, Bardot might be best known these days for harping on about lab technicians sticking shampoo in beagles' eyes (she's a fearsome animal rights campaigner) but 77-year-old BB was quite the head-turner back in the days when every single man on Earth wore a suit and a smart hat. Brigitte wasn't necessarily the greatest actress, but her voluminous lips (and tits) caught the attention of

the artsy French New Wave film directors of the 50s and 60s (Louis Malle, Jean-Luc Godard) and flitted between being blowjob-gobbed pin-up of the masses and darling of the intellectual scene (who, let's face it, probably all just wanted a go on her). Brigitte quit the movies in 1973, but her body of work throughout the 60s is still titillating enough to warrant a view, and it makes your DVD shelf look a bit cleverer.

## EMMANUELLE BEART

**I**n the mid-80s, no tedious middle-class dinner party was complete without a discussion of French double-bill *Jean de Florette* and *Manon Des Sources*, a couple of rural flicks whose legacy includes all the Stella Artois adverts and introducing Emmanuelle Béart to the English-speaking world. And when you see just how astonishingly lush Béart is, you can understand why everyone went a bit doolally over her. Taking on the blowjob lips baton from Brigitte Bardot, Béart

went on to fully disrobe in the 1991 arthouse epic *Le Belle Noiseuse*, in which she played a painter's nude model, displaying a lovely pert pair of norks and a bit of a wild bush (European, innit). Following a few more Euro hits (*L'Enfer* is actually pretty good) she appeared opposite Tom Cruise in the first *Mission: Impossible* movie, before retreating back to the homeland to appear in lots of films you won't have seen. Now 48, she's still busy making said films.

## SOPHIE MARCEAU

**B**eautiful, talented and an international star, Sophie had a run in the mid-to-late 90s of appearing in massive hits (*Braveheart*, *The World is Not Enough*, *A Midsummer Night's Dream*) whilst pursuing her arty Euro fare as an actress, writer and director. So yeah, she's basically a lot smarter than you. Her breakout hit outside of France was playing the heroine in

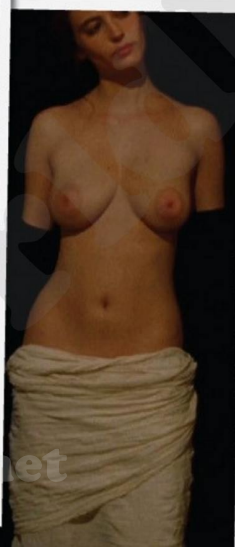

1994's *D'Artagnan's Daughter* but Sophie had been acting successfully since the age of 15, her first film all the way back in 1980. The great news is, she got her bits out in film A LOT. Some choice examples include *L'Amour Braque*, *Beyond the Clouds* and *Mes Nuits sont plus Belles que vos Jours* (no, me neither). She's got a big ol' bush, our Sophie, and she's not afraid to show it.

## EVA GREEN

**3**1-year-old Eva Green will be known to you from the rollicking good Bond reboot *Casino Royale*, in which she a) looked well fit and b) was clearly sporting a huge pair of bazongas. The thoroughly fantastic news is, she's not afraid to get them (along with her lovely fanny) out in arty European films with titles like *The Dreamers*. In fact, it's *The Dreamers* that you really need to get your mitts on cos Eva is fully

bare for a LOT of this film, even handles a soft cock in one scene, and doesn't seem to mind the camera going in for close-ups on her muff. Her nude appearances in films *Camelot* and *Cracks* are decent (*Cracks* has a bit of a lezzie topless snog in it) but *The Dreamers* is where it's at for full on rudity. Just remember to fast-forward through all the bits with subtitles. Like you need us to tell you to do that...

## BEATRICE DALLE

**J**ust a year younger than Emmanuelle Béart, Dalle's popularity soared at the same time as her supremely-fit country-woman, but where Emmanuelle Béart appealed to the middle-classes with her refined good looks, Beatrice Dalle crossed over to the younger, more masturbatorily-oriented film fan, and it's all to do with *Betty Blue*. Yep, the cliché of student walls being adorned with *Betty Blue* posters is totes true, and it's because you could

get away with an arty poster of a foreign film, which was basically soft-porn with an arty twist (oh, and a demented self-harming heroine). Beatrice has continued to act (her role in 2007's extreme horror flick *Insides* is amazing and VERY hard to watch) and has also been arrested on numerous occasions (cocaine possession, assault, theft) so she's clearly got a little bit of the *Betty Blue* about her. That gap in her teeth is wide enough to drive a lorry though these days though.

## AUDREY TAUTOU

**P**opular internet information dump Wikipedia defines a 'gamine' as a "slim, often boyish, wide-eyed young woman who is, or is perceived to be, mischievous, teasing or sexually appealing." Or, to put it another way, Audrey Tautou in that *Amélie* film. People who get scared by the speed at which time passes these days will be horrified to realise that *Amélie* was released a full eleven

years ago. Its posters were ubiquitous back in 2001, with Audrey's gamine face peering out at us over a crème brûlée. She's since appeared in the likes of *The Da Vinci Code* and *A Very Long Engagement*, but the film to track down if you want to see her boobs and possibly the peachiest, pertest butt you ever did see (no kidding) is *Le Libertin*, as her candlelit Jacuzzi scene in that is the stuff boners are made from.

We would also like to hear from outgoing Couples interested In offering an intimate service.

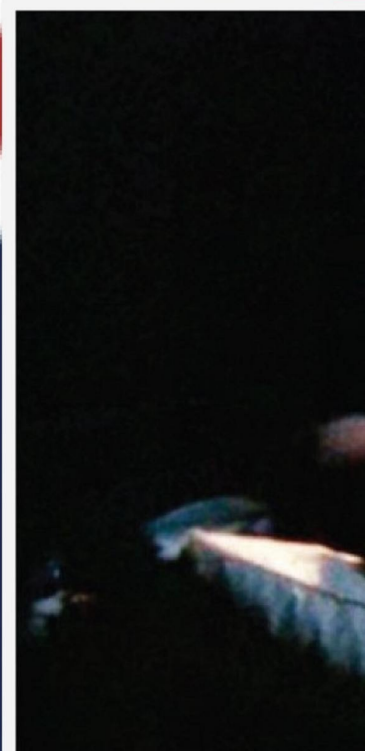

Yep, it's all jolly grand, but of course things weren't always quite so cosy. Back in 1977, when Elizabeth II had been on the throne for a mere 25 years we all got a bit excited and, you know, had street parties and wore hats etc, but we also (if we were old enough and that way inclined) flocked to the cinema to see film director Derek Jarman's punky take on the whole affair, *Jubilee*.

# Lovely Jubilees

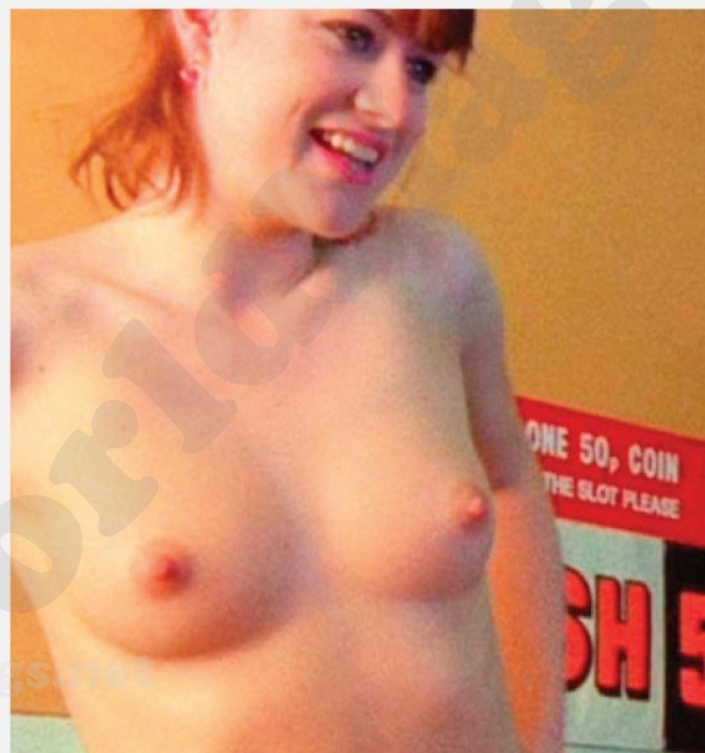

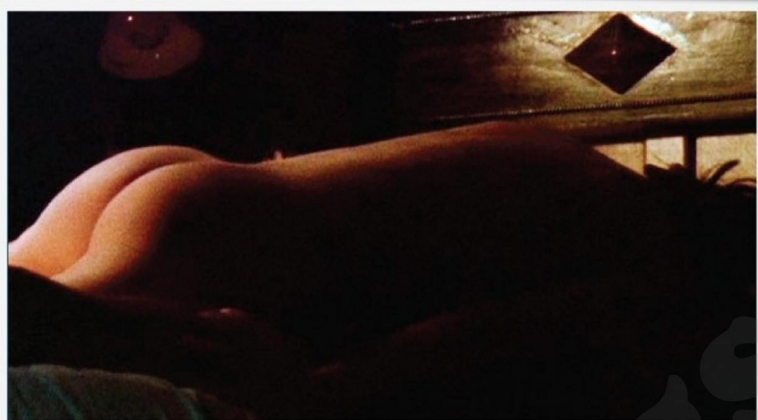

2012 might mark our dear Queen's 60th year on the throne (cheers for the extra Bank Holiday btw, Ma'am, if you're reading!), which means kids will no doubt be dressing up in little Union Jack bowler hats and waving flags at street parties all over the land.

Well, we're pretty sure Her Maj wouldn't have approved of all the Sid Snott-stylee goings-on – and to be honest the film's not exactly a barrel of laughs to watch these days either – but at least the leading actresses we're happy to cock a snook at the royal goings-on by getting their kit off as often as possible! So here, in a spirit of suitably deferential jubilation, we recollect those punk-tastic boobs and bushes of yesteryear. Cool Britannia? It certainly was for a while back then!

# Heidi Copeland

I'm a the type of girl who gets easily jealous, I always get mad everytime I see my husband talking to women I don't know; but when I get mad I also get horny. I like to make sure that my husband knows that I'm his fuck buddy and not the silly sluts he has been talking to. I do this by dragging him aside and whispering in his ear all the dirty things I'm going to let him do to me when we get home - I make dam sure that my husband knows where to put his thick hard cock. I'm always clean shaven, it's the way Jim likes it to be, I want to encourage him to spunk his load over my pussy and then watch me finger fuck every last white drop of cum into my pink hole. Sometimes I get so mad especially when a strange woman knowingly flirts with him, I just bunny-boil over in some dirty bitch. I sometimes never know what I'm actually doing; whether we are in public or not, I just have to grab my husband Jimmy away from the woman he is talking to and make him fuck me; sometimes it can be in a toilet and other times it can be just in an empty room in a house. I think that he talks to these women on purpose to goad me into some dirty sex.

# Didi Spencer

Didi Spencer from Thurrock loves her big black dildo. In fact, since she bought it she hasn't let it out of her sight. We had a little chat with her to find out a little bit more about her special relationship with her favourite toy, she's even given it a name!

**"M**y ex husband had a very small pecker, two tiny inches to be exact. I could hardly feel a thing when he fucked me, in the whole time that we were married he never gave me an orgasm, how depressing is that? After a year of marriage and pointless fucking I decided that size really did matter and I told him so and said that I wanted a divorce. After he left I made the decision that I was going to give myself the fucking that I had always wanted my husband to give me so I treated myself to a dildo and had my heart set on something big. That's when I found Wallie, my big black dildo, I fell in love at

first site. It took me several goes and plenty of lube before I could fit the whole thing inside me but when I did I had an orgasm bigger than I could ever imagine. I swear my pussy actually got tighter throughout the course of my marriage! I've had lots of fun with Wallie but now I'd love to upgrade him to the real thing, something that can not just fill my pussy with it's size but also something that can fill my pussy with cum. Could you fit the bill, I'd love to hear from you?"

**Jasmine May**

**I don't know what it is, but I am addicted to taking my clothes off with the thought of guys wanking over me. I am so pleased that my pictures are on the internet. I'm becoming so wet and horny just thinking about it. Maybe one of you would like to come round and see in the flesh. Lets just say you won't be disappointed with what you get.**

Jasmine May is getting very much into amateur porn. She has sent her pictures into porn mag's before and the readers loved her so much we just had to put her in UK Wives with dirtier and filthier pictures then the ones before! She is such a horny woman and she just loves to get her kit off to make guys get an erection.

"I don't know what it is, but I'm addicted to taking my clothes off with the thought of guys wanking

over me. I'm becoming so wet and horny just thinking about it. Maybe there's a guy out there that would like to come round to my place and see it all in person. Who knows, if you come round, you might be seeing a lot more of my naked pussy close up. I'm absolutely gagging for someone to delve into my hairy mound with their tongue. Lets just say you won't be disappointed with what you get."

A photograph of Leah Knight sitting on a bed, wearing a pink string bikini. She is looking down and slightly to the side.

**Big and bubbly Leah Knight got in contact with us and literally begged us to publish the photos that her husband had taken of her. It's not difficult to see why we agreed to it!**

A photograph of Leah Knight lying on her stomach on a bed with a red and white patterned blanket. She is looking towards the camera.

**"M**y husband and I love having dirty, red hot sex where anything goes, the more disgusting and pervy it is, the better! He loves to treat me like a sex doll, moving me into whatever position he fancies and just like a real blow up doll I never answer back, I just let him do whatever takes his fancy. However, sometimes I like to take control so I'll wait till he's on his back before pouncing on top of him, he's quite a skinny guy so once I've pinned him down he finds it really hard to move! Depending on my exact mood I'll

either sit on his cock and give him a good fuck or I'll sit on his face and make him lick me out! If we're fucking I'll reach down and squeeze hard on his balls digging my long nails into his ball bag, it never fails to make him come, he loves it! Sometimes when he comes I'll insist on him pulling his cock out of my pussy so that he can place it between my tits and come all over my chest. I love the taste of hot come as I lick myself clean, it gets me all horny and ready for the next bout of dirty sex!"

**We would like to thank Evelyn Wong for giving us the opportunity to put her photos in the magazine. She feels that her husband doesn't give her enough attention, so she's decided to start looking elsewhere. We've got our fingers crossed that some of you can help her out.**

# EVELYN WONG

"I've been married for a short time but already my husband doesn't care and has stopped paying me the attention I need. I'm very sexually demanding and would love for someone else to get into my knickers to make up for the lack of sex I'm getting. I'm so horny and in desperate need of a good shag. I'm a full time student studying

at University and I've got lots of friends who have offered me their student digs for an hour or two here and there, so I have a place we can go to be alone away from my husband's eyes. Please don't let the fact that I'm married stop you from contacting me and giving me your full attention. I'm as bad a girl as I look and I can be as bad a girl as you want me to be. My husband may have lost interest in me but once I let you fuck me you'll never forget your experience and you'll be begging to cum back for more."

**Evelyn**

# Chloe Staples

**Chloe is a sex mad house wife who cant get enough of orgasms and needs to have them at least 5 times a day**

“ I am absolutely addicted to orgasms, I need at least one in the morning, one at lunch, one at dinner time and as many as I can fit in before I go to bed, the most orgasms I have ever had was 40 spread out through the day and I don't just use my husband Darren or my fingers and dildos I use absolutely anything I can get my hands on but at the moment my

all time favourite is bottles, beer bottles, wine bottles, milk bottles, coke bottles the list goes on, I love it because they are all different sizes so its never the same, my husband loves watching me do it, he took these pictures and was wanking all the way through it and after we ran out of film he whipped out the video camera and filmed me, I haven't had that much fun in ages and am definitely considering taking this up as a carer"

# Natalie Brown

**N**atalie from Manchester has recently remarried and she couldn't wait to tell us all about it. "When I divorced my first husband I thought I'd never find love and again but I was so wrong, what actually happened was that I found out that what I had with my husband wasn't even love and that life after him was so much better. Not only have I now discovered what love is, I've also found an amazing sex life unlike anything I had experienced with my previous husband. My ex-brained washed me and told me that women don't really have orgasms and that they just pretend to have them in porno movies. I believed everything that he told me and throughout our entire marriage I never felt any pleasure during sex, not one little bit!"

**M**y new husband has not just opened up a whole new world to me, he's also opened my legs wider and filled me deeper than ever before. Sometimes I cry because the orgasms are so intense. I'm determined to fill every waking hour with dirty thoughts and filthy sex, making up for all of that time I lost before. One thing that I will say is that the wait for my first orgasm may have been a long and frustrating journey but when I finally got there it was well worth it! I'm now a changed woman, to the point where I walked past my ex husband the other day and he didn't even recognise the confident woman who brushed past him. The blonde hair and my new boobs probably had something to do with it!"

**Natalie**

**We would like to thank Esther Pearce's husband Jim for sending in these pictures. When Jim got in contact with us, he told us all about how Esther had always wanted to become an adult model and he was even more keen to tell us about the crazy night of sex they had the night before they were due in London for the magazine shoot.**

# Esther Pearce

"Esther has always wanted to become a model ever since I first met her ten years ago. I think she has a great figure and has all the right qualities to make it big. I mean she's got great tits, a beautiful arse, the most fuckable pussy and most importantly of all she'd not afraid to get them out and show them off to everyone. We thought we'd try our luck and send in some of our home-made photos, so we were both absolutely thrilled when we heard that Esther had won a professional photo shoot. In fact we were so happy that we had the dirtiest night of sex that we'd ever had."

# Esther

"I was getting washed up in the bathroom just before bed and all of a sudden I heard the door creak open, only to feel Esther slip her hand inside my dressing gown and start caressing my cock. Her touch felt amazing and she knew exactly where to massage me to get me turned on. There's one spot that really gets my dick up and she knows exactly how to touch me there, and no I'm not saying where it is! I was getting so into it that I knew that any second I was going to shoot my load, so I stopped her and bent down on my knees. I leant her against the wall and spread her legs wide apart. I stuck my tongue into her wet pussy and licked her out until she orgasmed like she'd never done before. I kept playing with her clit, flicking it back and forth with my tongue. It was a great night and I needn't say any more about what happened, as I'm sure you can all guess. Lets just say we didn't leave the bathroom the whole

night and we tried every different sexual position we could think of. Some of the moves we pulled we'd never thought would be possible, but they were, and boy did we look good in the mirror as we fucked our way through the night!"

"After seeing the professional photos Esther has told me that she can't wait to do the next lot, and that's when she came out with a small secret that she'd done very well to hide from me for all of these years - she wants to fuck another woman and for me to take the photos! She claims that she's not a lesbian, she's just always been interested in trying sex out with another girl. I'm a red-blooded male so I'm hardly going to say no am I?"

# FANCY AN INDIAN?

Petite everywhere except in the boobs department, the lovely 5'2" Priya Rey is a top notch porn star on the US market who started out as a glamour and topless model. It was after meeting an XXX photographer at a calendar shoot that her career really took off. Ever since, Priya has been able to break the barriers of inhibition and display her sexuality with unfettered heat. She was born in New Delhi in 1982 and moved to the US when she was only two years old. The raven-haired bombshell is also the only Indian porn star currently working in high end American hardcore.

A student at the Arizona State University, Priya travels back and forth between her porn assignments in Los Angeles and her two-bedroom apartment in the city of Tempe. She finds her porn work to be very satisfying and fulfilling. She admits that she gets just as excited shooting her sex scenes as her fans get watching them...

## Why did you get into porn?

Well, I had a boyfriend who would always film us fucking. He had a cell phone he used, so the quality wasn't the best but it was still a lot of fun to pretend to be porn stars. Then I broke up with him and the bastard posted all those little movies on the internet. I got mad but then I figured, what the heck? I don't look half bad fucking, so I might as well become a professional porn actress. It wasn't such a stretch for me because I was already doing a lot of sexy bikini modelling and stuff.

## Were you nervous during your first shoot?

You know, I think all girls are a little bit nervous even if they love sex, and even if they are used to the camera. For me, I was worried that I wouldn't be attracted to my fellow actors, but so far that has never been a problem (We bet it hasn't! – Ed.). Most porn actors tend to be very, very hot. In fact, when you spread your pussy for the camera for the first time, there is such a sexual rush of being a naughty, naughty girl. I get wet just thinking about it.

**What was your sex life like prior to porn?**

*Very different, because I didn't know I was attracted to girls until I entered this business. I had steady boyfriends and plain relationships like everyone else. Now I often have sex with girls on my days off. I still prefer cock, but it's a lot of fun to fool around with girls too, or to have one of each. My sex life is much more fulfilling since there is more variety.*

**How did you lose your virginity?**

*I was sixteen and he was an distinguished older gentleman... Or so I thought at the time, but it turned out he was actually only 21. It was a good experience. It doesn't take much for me to climax. Even that first time, I achieved orgasm when he started rubbing my clit with the top of his cock and I think he was just as surprised as me!*

**Do you get off regularly**

**when you're on set?**

*Yes, usually with men I get off naturally after a few minutes from the fucking alone, no bells and whistles needed. A few times the positions have been so awkward that is has been impossible for me to relax enough, but then I just ask my scene partner to finger me to orgasm after the shoot. I never leave the set without having at least one or two orgasms. That would be wrong!*

**How often do you masturbate?**

*Almost every night; it's like a ritual for me to reach for my vibrator when I crawl into bed. I also like to rub my clit while I make phone calls. It doesn't matter who I'm talking to, even if I'm calling my landlord about a clogged sink I usually masturbate at the same time!*

**What body part do you think is your best?**

*I got new tits a few years ago, and I am still very fascinated by them. But other people seem to think I have a great ass.*

**How do your friends and family react to your adult career?**

*They have been gradually introduced to it, from my bikini*

*modelling days to the softcore and hardcore of today. I never went overnight from innocent student to hardcore pornstar, like some other girls, so for me there was never any drama. Everybody is happy for my success, even the students. I even have a few teachers who seem very fascinated by me. I bet they watch all my movies, ha-ha!*

**Do you watch porn yourself?**

*I try to watch the movies I'm in, but I'm not really into movies of any kind. I don't even watch much TV.*

**What kind of guys do you like to date?**

*I like guys who are not intimidated by me. I'm a nice person and not a bitch. Many guys assume that I'm stuck up because of my looks. In reality I do anything for my man, I'm a tiger in bed but outside the bedroom I love pampering him in every way. Mmm!*

**You don't seem to be the jealous type.**

*No, I'm not jealous at all. I don't have time for a steady boyfriend anymore, but if I did, I would be happy to bring home hot girls for us both to fuck. I think threesomes are great. I'm into trying new stuff, so I try a lot of things from the Kama Sutra and fun positions with my partners. It's never the standard in-and-out with me!*

**How is making porn movies different from you**

**expected?**

*It's not that different from what I had heard, actually. If anything, it can be a little frustrating to be told what to do during sex, because normally I like to take command and do anything I want, when I want it, for my own sexual pleasure. But, I guess that's why it's a job!*

**How long do you intend to stay in the business?**

*Unfortunately a porn career is usually very brief, maybe mine will be over in a year or two. And that's why I'm in school getting a degree, because soon enough I will have to do something else.*

**And what do you do when you're not working?**

*I'm into meditation and yoga and soul searching. And I like cooking. Good food is big on my list.*

**Especially sushi.**

**What makes you a good lover?**

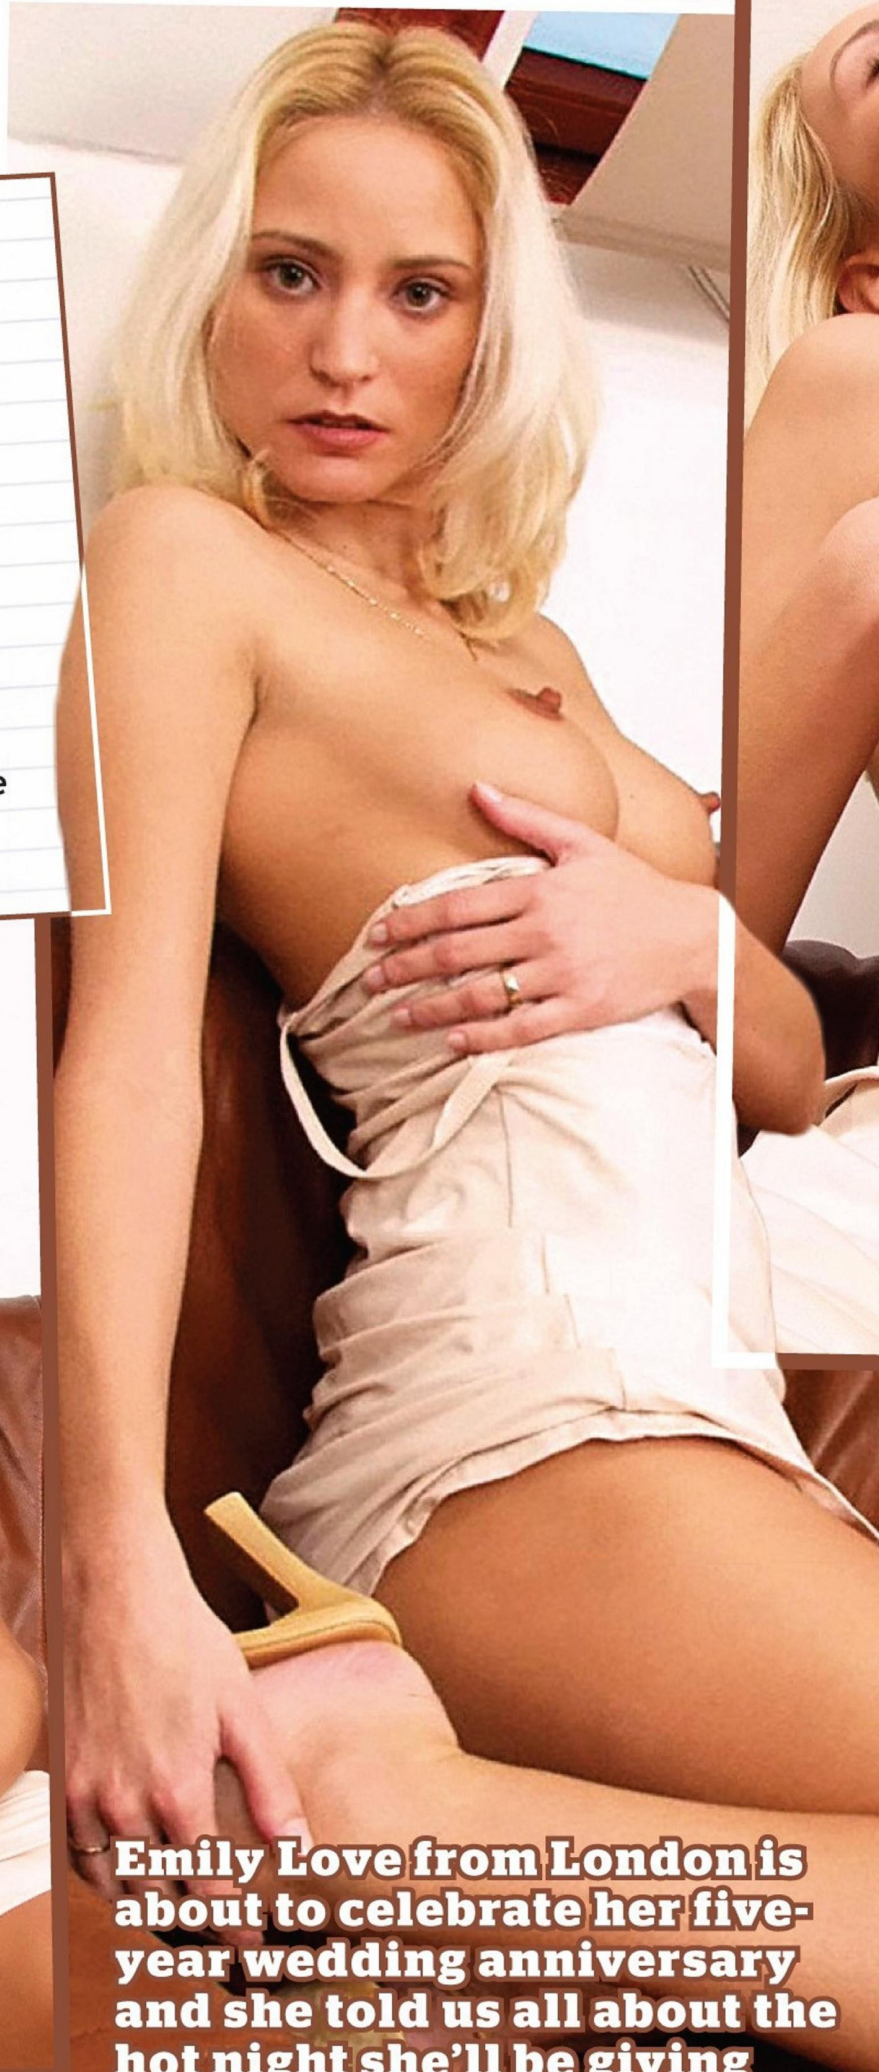

*I can give great head and all that, usual stuff but my biggest strength is my ability to always keep sex exciting and new. If you fuck me more than once, you will know that every time I have some new sexual tricks up my sleeve. And I'm definitely no inhibited. Guys love that!*

# Emily Love

“Jason’s been dying to start a family, but I’ve always put it off because of my modelling work, who wants to see a fat naked lady? But tonight I’m going to give him the night of his life and get started on making a family. I’ve got myself a set of sexy black underwear, jet-black high heels and a range of sex toys for him and me. I’ve shaved my pussy and sent him a picture on his phone telling him that this kitty needs stroking. I’m hoping that he will make his excuses and get himself home soon, and bring his bulging cock right to my mouth. I guess I’ll have to let him stick it in my pussy too if he’s going to get me up the duff!”

**Emily Love from London is about to celebrate her five-year wedding anniversary and she told us all about the hot night she'll be giving her husband.**

# Bonnie Turner

**B**onnie Turner from Brighton is such a horny bitch that our photographer had to ask her to slow down as she was so eager to get her clothes off! "I love sex, I like to be teased until I am at the point of bursting then teased some more, I end up having such an intense orgasm that I have even been known to squirt. I enjoy giving oral, my husbands cock isn't the biggest so I can fit his whole length into my mouth and feel his balls hit against my chin as I move my head up and down his cock."

**Bonnie**

■ I'm really a very lucky man to have such a stunning wife on my arm and it's a real privilege to be sharing her photos with everyone. I do whatever I can to make sure that she stays happy and content. The other day for example Libby was feeling super horny and she told me that she needed to be fucked by something a great deal bigger than my cock, which is a rather pathetic 5 inches when fully erect. We discussed it at length and that evening we searched the Internet to find a swinging club to join. We actually found a couple who lived near to us

# Libby Milton

who were holding a party the Saturday coming up so we put our names down and filled in the online questionnaire. On Saturday morning we got a phone call saying that one of the regular couples had dropped out so there was space for us to attend. The rest of the day flew by and at around seven o'clock we headed off to the neighbouring town where the party was being held. On arrival we were greeted by five other couples and we spent around an hour drinking wine and eating nibbles, it was all very civilised indeed!"

# Julie Albert

**J**ulie Albert a shop assistant from North London wishes that her husband would fuck her every now and again. "I have been married for a couple of years but I still feel like I'm single. I go out on my own, I cook for only one and I go to bed by myself. Martin has no time for me and would rather spend time at the pub with his friends. So I am looking for a fuck buddy to come around once a week and give me a good seeing to. I don't mind how **big**

your dick is as long as you can get an erection while you looking at my pictures I'm sure you will be fine," says Julie. "Just imagine that your cock is sliding deep into my pussy making me scream out loud, then just before you are about to orgasm I take it into my mouth and deep throat your cock until I can taste your cum and swallow your load."

# Bobbie Watts

I was kissing this young guy I had only just met, and things got naked and dirty very quickly. We were upstairs in his bedroom, while his parents were downstairs, and the thought of being discovered doing something I shouldn't be doing really turned me on. At first I was a little shy and unsure but this guy was really confident and a good teacher so it didn't take me long to get into the swing of things. I had already had my pussy broken in before by a boy next door but the sex with this guy was so much hotter and better. My pussy was fizzing with electricity and was so wet that his cock slid inside

me effortlessly making squelching sounds with every movement in and out. I remember lying on my back moaning loudly until he took my knickers and put them in my mouth, to stop me from screaming down the house and alerting his parents to what we were doing. He finally had to stop fucking me even though he had yet to come, because he was getting so tired. He pulled the knickers out of my mouth and replaced them with his fat cock still drenched in my cum, which I sucked and deep throat until it all became too much for him. It was the first time I had a guy cum into my mouth and I loved it. Ever since that experience I've loved the feeling of a hard cock and it's all I ever think and dream about. Morning, noon and night all I ever think about is fucking, fucking, and more fucking."

# SLAM IT IN A SLUT 2

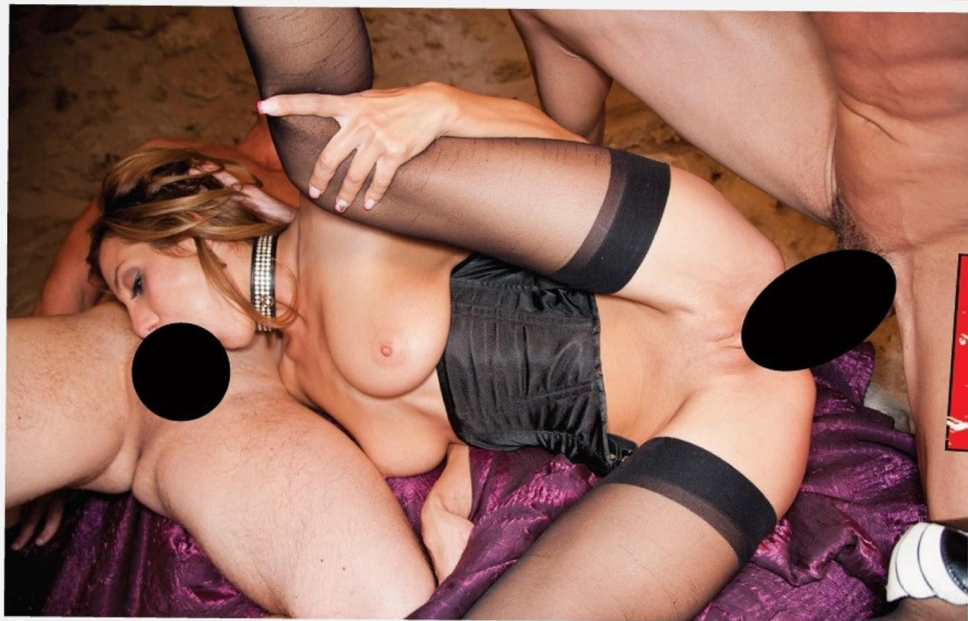

**ON SET**

With raven hair, astonishing boobs and a lovely curvy arse, Harmony protégée Anissa Kate certainly looks the part as she puts on a little tease for her two studs, one of whom's having a soak in the tub while the other lounges on a nearby bed. With her utter slatternliness she's soon got the boys up for some action, and wraps her lips around Danny D's impressive pole while Tony De Sergio explores

**ON SET**

her enticing bod. What follows is a blistering scene, with Anissa getting poked hither and thither, often at the very same time, until this reviewer for one was well and truly spent. If only all girls had such an appetite for cock – what a world we'd live in then!

Dusky babe Shyanne, who's given the tricky task of following such a performance, isn't exactly frightened of cock either, although she only has

one to deal with and, sadly, doesn't permit its owner to wedge it up her shapely rear. Still, the sound generated as it saws into her sopping snatch is most arousing, and all in all I think I can, hand on heart, say the girl done good.

Blonde Sasha Rose has no such misgivings about anal, seeming to prefer it and taking a really thorough back scuttling from George Uhl, including every personal

trainer's favourite sex position, the pile driver. Hard work for those involved, I dare say, but mighty diverting for the rest of us!

After Sasha's had her back door kicked right off its hinges Alice Romaine keeps up the standard with another eye-watering DP scene, before a rather ad hoc scene featuring Sasha and Samantha Jolie see us out. Horny stuff indeed, and well worth checking out!

# Alana Green

My husband is very keen on me always looking my best and one thing that he always insists upon is that I shave off all of my pubic hair because he's a bit of a pervert and he's obsessed with my pussy. I actually enjoy having a shaved pussy

so I don't mind doing it but recently I decided to turn the tables on him and told him that I wanted to shave him too, and that if he refused I would never let him shave my bush again! He protested somewhat as he'd never groomed himself

downstairs before, he's convinced that only gay men shave or wax their balls! As usual I got my own way and I he agreed to let me shave his balls, scrotum, and cock.

Shaving him actually turned out to be a turn on for both

**Alana**

of us. I told him that it was easier to shave a hard cock, which was something I made up on the spot, so I started off by sucking gently on his bell end and by giving him a hand job at the same time so that his skin would be tight. I then lathered him up and shaved him completely bald. I did have a bit of sympathy for him so I left a small but trimmed tuft of hair above his cock, leaving him with a bit of dignity. He looked fantastic and all I wanted to do was get his cock cleaned off and back in my mouth again! I sucked and slurped on it taking it deep into my throat and then I licked on his balls, it was the first time I'd ever sucked on hairless balls and it felt brilliant. I took his cock out of my mouth and begged him to sink it into my pussy. He forced my legs apart and sank his cock in my love hole with his smooth balls slapping against my arse every time he drove himself inside me. It's without doubt the best thing that we've ever done and he loves it, I think it's because it makes his cock look bigger than it really is! There is one downside though and that's that he's not looking forward to hitting the showers with his mates after his next football game!
